

Deleting a practice

Any practice can be deleted at any time.

It can be deleted by: the author of the practice, the moderator of the application or the administrator of the Bitrix24 portal.

The screenshot shows the 'Best practices' interface in Bitrix24. At the top, there is a blue header with the title 'Best practices', a search bar, and several utility icons. Below the header, there are two filter buttons: 'All practices' and 'All categories'. The main content is a table with the following columns: Name, Author, Category, Rating, and Status. Two rows of practices are visible:

Name	Author	Category	Rating	Status
My practice 3	user A , Novus-HCM 11.09.2024 16:57		♥ 📄	↺
My practice 2	user A , Novus-HCM 11.09.2024 14:49		♥ 📄	🚫

Revision #1
