Enter the competency name in the field

A rounded rectangular input field with a grey border. On the left side, there is a grey circle containing a white diagonal slash. Inside the field, the text 'Enter Competence Name' is displayed in a light grey font. On the right side of the field, there is a small grey plus sign.

Click on the plus - the competence will be added

A rounded rectangular input field with a blue border. The text 'Enter Competence Name' is shown in blue at the top left. Below it, the text 'Soft skills' is entered in black. On the right side of the field, there is a red arrow pointing to a small grey plus sign.A screenshot of the LMS interface. The top navigation bar is blue and contains the logo 'Brusnika LMS My university', a search bar, and links for 'COURSES-PROGRAMS', 'TESTS', 'EVENTS', 'HELP', and 'EXIT'. A left sidebar menu lists various user options like 'Notifications', 'Profile', 'My Rating', 'My Tests', 'My Courses', 'My Assessments', 'My Reviews', 'My Certificates', 'My Competences', 'My Events', 'My Programs', and 'Individual Development Plan'. The main content area shows a 'Personal Account' section with a user profile picture and a '114 Professional' badge. Below this, a message states 'Points are awarded for actions performed in the application'. A 'Score Points' table is displayed with the following data:

Date	Entity	N	Name	Points
2025-01-23	Comment	45	Comment	6
2025-01-23	Comment	58	Comment	6
2025-01-22	Test	760	Test 4	10

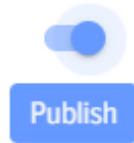

The added competency will look like this:

A horizontal input field with a light grey background. The text 'Soft skills' is entered in a dark grey font. On the right side of the field, there are three icons: a hamburger menu icon, a close icon (an 'X'), and a toggle switch icon.

By default, competencies are created single-level, i.e. without manifestation indicators. To add manifestation indicators, activate this element:

Two-Level Model

In order for a competency to become available in other modules, it must be published.
