

Course statuses

Courses have two statuses:

- Publication status: published; draft (saved without publishing).
- Completion status: completed; not completed. Completed - the Complete button is pressed, not completed - the Complete button is not pressed.
- Success statuses: passed; not passed. Passed - means all tests are in the "passed" (successful) status, and all lessons have been viewed (the Complete button is pressed).
- Assignment statuses: self-registration - the employee pressed Complete training, assigned - appointed as the application moderator.
