

Archiving course/test assignments

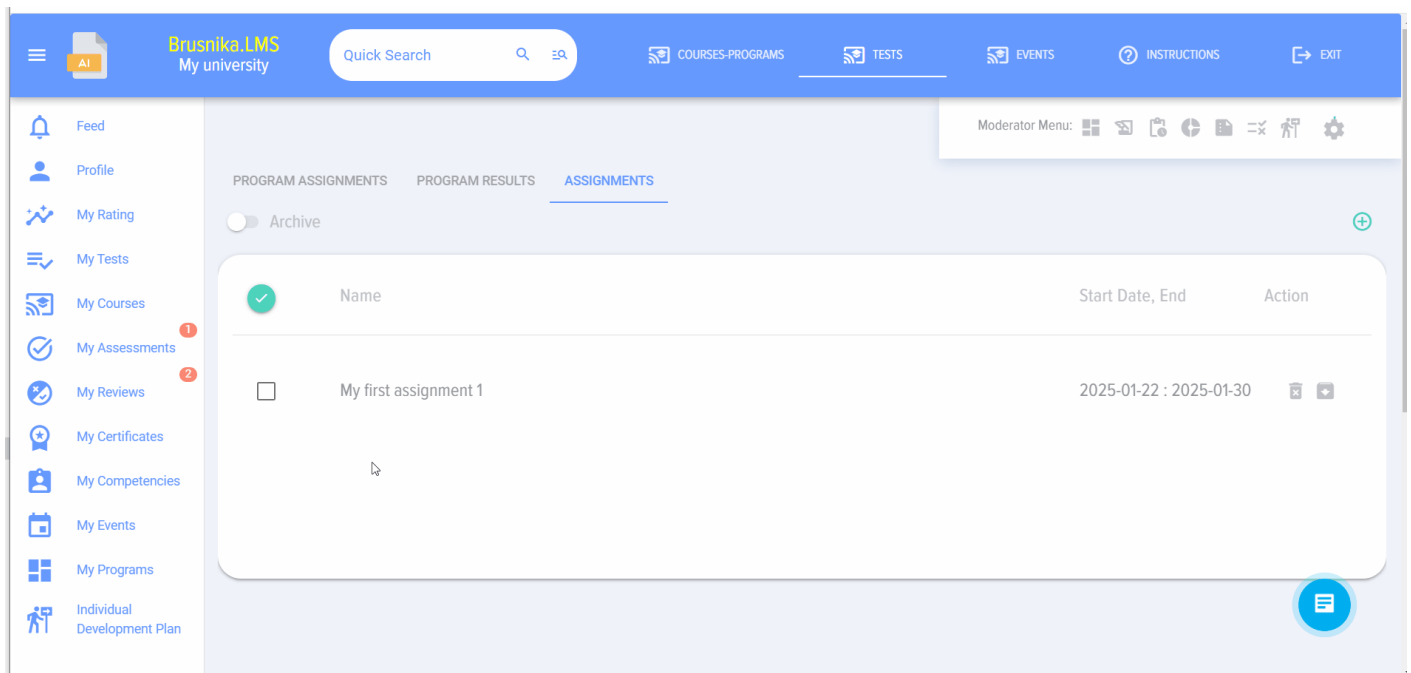

To transfer to the archive, you select the desired destination or template and transfer to

the archive using the element

To view archived assignments, click on the item and back

The screenshot shows the Brusnika.LMS interface. The top navigation bar is blue with the logo "Brusnika.LMS My university", a search bar, and links for COURSES-PROGRAMS, TESTS, EVENTS, INSTRUCTIONS, and EXIT. A left sidebar contains various user-related links. The main content area is titled "ASSIGNMENTS" and features a table of assignments. The first row shows an assignment named "My first assignment 1" with a start and end date of "2025-01-22 : 2025-01-30". The table has columns for Name, Start Date, End, and Action. A "Moderator Menu" is visible in the top right of the main content area.

Name	Start Date, End	Action
My first assignment 1	2025-01-22 : 2025-01-30	[Icons]

The following actions are available for archived assignments: Restore from archive and Delete. When you select the corresponding assignment and click the "Restore from archive" button, the assignment will be returned from the archive to the main assignments section.

Revision #1
