

# Deleting course/test assignments

Deleting an assignment, Select the assignment you want to delete, click on the item and confirm the deletion.

The screenshot shows the Brusnika LMS interface. The top navigation bar is blue with the logo 'Brusnika LMS My university' and a search bar. Below the navigation bar, there are tabs for 'PROGRAM ASSIGNMENTS', 'PROGRAM RESULTS', and 'ASSIGNMENTS'. The 'ASSIGNMENTS' tab is active. On the left, there is a sidebar with various icons and labels like 'Feed', 'Profile', 'My Rating', 'My Tests', 'My Courses', 'My Assessments', 'My Reviews', 'My Certificates', 'My Competencies', 'My Events', 'My Programs', and 'Individual Development Plan'. The main content area shows a table with columns 'Name', 'Start Date, End', and 'Action'. There are two rows of assignments: 'My assignment 1' and 'My first assignment'. Each row has a checkbox in the 'Name' column and a trash can icon in the 'Action' column. A 'Moderator Menu' is visible in the top right corner of the main content area.

Deleted irrevocably, courses/tests will disappear from those assigned in your personal account.

Revision #1
