

Deleting course/test assignments

Deleting an assignment, Select the assignment you want to delete, click on the item and confirm the deletion.

A screenshot of the LMS interface. The top navigation bar is blue and contains the text "Brusnika.LMS My university", a "Quick Search" box, and several menu items: "COURSES-PROGRAMS", "TESTS", "EVENTS", "INSTRUCTIONS", and "EXIT". The left sidebar is light blue and lists various user options like "Feed", "Profile", "My Rating", "My Tests", "My Courses", "My Assessments", "My Reviews", "My Certificates", "My Competencies", "My Events", "My Programs", and "Individual Development Plan". The main content area is white and titled "ASSIGNMENTS". It features a "PROGRAM ASSIGNMENTS" tab, a "PROGRAM RESULTS" tab, and an "ASSIGNMENTS" tab. Below the tabs is an "Archive" toggle switch. A table lists assignments with columns for "Name", "Start Date, End", and "Action". The table contains two rows: "My assignment 1" and "My first assignment", both with a start date of "2025-01-22" and an end date of "2025-01-29". Each row has a checkbox in the "Name" column and a trash can icon in the "Action" column. A "Moderator Menu" is visible in the top right corner of the main content area.

Deleted irrevocably, courses/tests will disappear from those assigned in your personal account.

Revision #1
