

Editing course/test assignments

To edit a course, click on the name in the list of assignments - the course will be opened for editing. After making changes, click the Save button.

The screenshot displays the Brusnika.LMS interface. The top navigation bar includes a 'Quick Search' field and tabs for 'COURSES-PROGRAMS', 'TESTS', 'EVENTS', 'INSTRUCTIONS', and 'EXIT'. The left sidebar contains a list of user options: Feed, Profile, My Rating, My Tests, My Courses, My Assessments (with a red notification badge), My Reviews (with a red notification badge), My Certificates, My Competencies, My Events, My Programs, and Individual Development Plan. The main content area is titled 'ASSIGNMENTS' and features a table with columns for 'Name', 'Start Date, End', and 'Action'. The table lists one assignment: 'My first assignment' with a start date of '2025-01-22' and an end date of '2025-01-29'. There are icons for deleting and adding new assignments. A 'Moderator Menu' is visible in the top right corner.
