

# Editing the rating scale

To edit, click on the rating, title or description and a window for editing will open. Do not forget to save the changes made.

The screenshot displays the Brusnika LMS interface. The top navigation bar includes the logo 'Brusnika LMS My university', a search bar, and menu items for COURSES-PROGRAMS, TESTS, EVENTS, HELP, and EXIT. A left sidebar lists various user options like Notifications, Profile, My Rating, My Tests, My Courses, My Assessments (with a red notification badge), My Reviews (with a red notification badge), My Certificates, My Competences, My Events, My Programs, and Individual Development Plan. The main content area is titled 'Competence Management' and has tabs for COMPETENCE MODEL, BLOCKS, ASSESSMENT (which is active), and COMPETENCE PROFILES. A 'Go Back' link is visible. A modal window titled 'My new assessment' is open, showing a blue plus icon and a close button. A notification message at the top of the modal reads: 'If the popup does not open in the browser, a notification should appear. Click on the popup notification and select Always allow popups from 'network address'.' A 'Moderator Menu' is visible in the top right corner of the main content area.

Revision #1
