

My events

1. The tab displays all events and surveys in which the employee participates.

2. - Apply for event participation - if the required event is not in

the catalog of events, the employee can create an application for a new event. Subsequently, if the moderator approves it, it will appear in the catalog of events, and other employees will also be able to apply for participation in this event.

Event Card.

- View event details.

Add Certificate

- Add certificate - a certificate previously uploaded in the certificates tab can be attached to the event.

Feedback Form ✓ filled 2025-02-03 16:52

- Fill out the Feedback Form (FF) (if it has been added and activated by the moderator). If the Feedback Form has been filled out, this information will be displayed.

For more details, see the section "[External/In-Person Events](#)".

3. The "Surveys" tab presents surveys in which the employee has participated, along with the survey results. For more details about Surveys, see the section "[Surveys](#)".
