Payment instructions. After the current tariff plan there is a payment instruction.

 Instructions for Purchasing a Subscription for Theme Customization

Choose a plan, click on Revolut Pay.
Open the QR code for payment, click Guest checkout or open the Phone number tab.
Pay for the subscription. The tariff plan will be activated automatically.
If you have difficulty paying or this payment method does not suit you, write to us at info@brusnika-solutions.com, we will find a solution.

Select your country

2. Select a payment method. As of May 2024, the following payment methods are available:

a) Tariff for payment by a company. For Russia, Belarus: a package of documents will be generated, download it, sign and send it to us. For the rest of the world. You need to register your company on the service <https://4dev.com/> Transfer funds and pay for the subscription within the service. The service provides all the necessary documents. There will be additional service fees.

b) Tariff for payment by card. We send you a special link, through which you pay for the subscription to our partner in Europe through the Revolut service. There are no additional fees.

c) Tariff for payment by cryptocurrency. We send you the wallet address and you transfer the subscription in USDT directly to us. There are no additional fees.

3. Pay. After payment, write to us at info@novus-hcm.com or tfgareev@gmail.com to speed up activation.

4. Once payment is received, we will activate your subscription.
