

Adding an idea. Simplified version

To add an idea click on "New idea in simplified form" in the top menu of the application:

Fields are mandatory:

- Idea name;
- The proposed solution is the description of the idea itself.

When you click the "Save" button the idea will be added to the Database with the "Approved" status, and in the future you can add coordinators to it and start coordination, adding tasks, etc..

For ordinary users creating simplified ideas is possible if the settings indicate Simplified ideas for ordinary users - allowed.
