

Selecting the departments for which messages are posted to the live feed

In Settings - Other you can select departments for which messages are placed in the live feed

The screenshot shows the 'Settings - Other' page in the 'Ideas' application. The page has a blue header bar with the title 'Ideas' and several icons. Below the header, there is a sidebar on the left with 'MODERATORS' and 'CATEGORIES' sections. The main content area has a header 'Application name' with a text input field containing 'Ideas'. Below this is a section titled 'Departments for which messages are placed in the live feed:' which contains a grid of checkboxes and department names. A red box highlights this section. A 'SAVE' button is visible in the top right corner.

Departments for which messages are placed in the live feed:	
<input type="checkbox"/>	IT
<input type="checkbox"/>	Test
