

Archiving course/test assignments

To transfer to the archive, you

desired destination or template and transfer to

the archive using the element

To view archived assignments, click on the item

and back

The screenshot shows the University LMS interface. The top navigation bar includes "University", a "Quick Search" box, and links for "COURSES-PROGRAMS", "TESTS", "EVENTS", and a settings gear. The left sidebar contains various user-related options like "Notifications", "Profile", "My Rating", "My Tests", "My Courses", "My Groups", "My Assessments", "My Reviews", "My Certificates", "My Competences", "My Events", and "My Programs". The main content area is titled "ASSIGNMENTS" and features a toggle switch for "Archive" (currently off). Below the toggle is a table with the following data:

	Name	Start Date, end	Action
<input type="checkbox"/>	My assignment 3	2025-02-21 : 2025-02-28	
<input type="checkbox"/>	My assignment 2	2025-02-21 : 2025-02-28	

The following actions are available for archived assignments: Restore from archive and Delete. When you select the corresponding assignment and click the "Restore from archive" button, the assignment will be returned from the archive to the main assignments section.

Revision #1
