

Deleting course/test assignments

Deleting an assignment, Select the assignment you want to delete, click on the item and confirm the deletion.

A screenshot of a web application interface for a university. The top navigation bar is blue and contains a hamburger menu, the word "University", a "Quick Search" bar, and links for "COURSES-PROGRAMS", "TESTS", "EVENTS", and a settings gear. A left sidebar lists various user options like "Notifications", "Profile", "My Rating", "My Tests", "My Courses", "My Groups", "My Assessments", "My Reviews", "My Certificates", "My Competences", "My Events", and "My Programs". The main content area has tabs for "PROGRAM ASSIGNMENTS", "PROGRAM RESULTS", and "ASSIGNMENTS". Under "ASSIGNMENTS", there is an "Archive" toggle and a table. The table has columns for "Name", "Start Date, end", and "Action". One row is visible with the name "My first assignment" and a date range of "2025-02-21 : 2025-02-26". There are icons for deleting and archiving in the action column.

Deleted irrevocably, courses/tests will disappear from those assigned in your personal account.
