

# My programs

The personal account shows the programs assigned to the employee. From the personal account, you can view the status of the modules in the program and start completing a particular module of the program.

The screenshot shows a university portal interface. The top header is blue with a 'University' label, a 'Quick Search' bar, and navigation links for 'COURSES-PROGRAMS', 'TESTS', 'EVENTS', and a settings gear. The left sidebar contains various user-related options, with 'My Programs' highlighted by a red box. The main content area is titled 'My biology program' and shows a list of assigned modules with their status.
