

My rating

The screenshot shows a user interface for a university application. The top navigation bar includes 'University', a search bar, and links for 'COURSES-PROGRAMS', 'TESTS', and 'EVENTS'. A sidebar on the left contains navigation options: Notifications (76), Profile, My Rating (highlighted with a red box), My Tests, My Courses, My Groups, My Assessments (3), My Reviews (2), My Certificates, My Competences, My Events, My Programs, and Individual Development Plan. The main content area displays a profile picture of a kitten with a rating of 750 Pro. Below this, a message states 'Points are awarded for actions performed in the application'. A table titled 'Score Points' lists the following data:

Date	Entity	N	Name	Points
2025-03-03	Open Question	1515019	111	5
2025-03-03	Comment	41	Comment	7
2025-02-24	Test	1488676	Biology test	10

The user's accumulated points and current rating are indicated.

Editing rating levels and points is done in the application settings: "Application settings - Points" and Application settings - "[Rating](#)".

Revision #1
