

Password reset

If a subaccount has forgotten its password, it can be reset using the following element:

Subaccounts

For the subaccount login, use only Latin letters and numbers.

Login	First Name	Middle Name	Last Name	Position	
my_l_1	AAA	BBB	CCC	manager	<div><div>✓</div><div>••••</div><div>✕</div></div>

✕ DELETE ALL SUBACCOUNTS

The password will be cleared, and the user will need to enter it again upon login
